

FEE POLICY

POLICY STATEMENT

Our service sets fees in accordance with its annual budget in order to meet the income required to develop and maintain quality services for children and families.

Fees will be reviewed as required throughout the year & families will be notified in writing of any changes to fees.

We want to ensure all families are aware of fees and other payments throughout the year. Prompt payment of fees allows us to plan with certainty. We have a commitment to ensuring our fees are as affordable as possible and that all families have access to subsidies that are available to reduce fees.
