Certificate III

in Early Childhood Education and Care

Begin your Early
Childhood pathway

Have you considered a career with young children?

Have you thought about the positive impact you can have on the life of a young child? There are various ways to be this person of influence once you have earned a **CHC30121 Certificate III in Early Childhood Education and Care** qualification. This entry level qualification opens the door to a variety of opportunities working with young children such as an educator in an early learning centre, a family day care service or even as a nanny.

Our model ensures you gain a deep understanding and the skills to become an Early Childhood Educator who is able to create a place for children where the fun is endless, the laughter is infectious, the interactions are rich, the love is genuine, the world is big, creativity flourishes and Jesus is real.

International Child Care College

(ICCC) RTO ID: 90081

ICCC is delivering a nationally accredited qualification in partnership with St Philip's Christian College (SPCC) to provide you with a hands-on immersion program in a St Philip's Narnia centre. The CHC30121 Certificate III in Early Childhood Education and Care qualification is the minimum requirement to gain employment in an approved early childhood service and the immersion delivery model ensures you are work ready.

In partnership with International Child Care College students will receive:

- Weekly face-to-face support by a campus Narnia Director
- Award-winning learning resources
- An exceptional e-learning experience
- Timely & concise learning and assessment support
- Real workplace skills in a Narnia centre and the underpinning knowledge needed to be an effective educator

Pathway Options

Following successful completion of the CHC30121 Certificate III in Early Childhood Education and Care, students will have direct entry into the CHC50121 Diploma of Early Childhood Education and Care with an eligibility to apply to the SPCC Teaching School Bachelor program.
