

For the Whole of Their Life

14 July 2021

Dear Parents and Carers,

EXTENSION TO LOCKDOWN

As you will be aware, the lockdown that Greater Sydney (including the Central Coast) is currently experiencing has been extended to 30 July 2021. This will mean that our regular face to face learning at school will not be able to take place as we commence Term Three. Instead, we will be switching to an Online mode of learning from home.

As the Premier has requested, if your Children are able to stay at home then please keep them at home. We appreciate the extra challenge this places on families as they juggle the demands of school and their own work. Our staff will be doing the same thing. If you are an essential worker and you need to send your Child to school, then there will be a few staff members coming in to supervise those students. Where possible, please minimise your movements, as requested by the Premier, and seek to keep our community safe during this time of lockdown.

Our teachers have been working hard to prepare for online learning in anticipation for what next week would look like. They did an amazing job last year in this capacity and our community felt very supported. More specific information about what this will look like this year will come out this week as we finalise the details in response to the latest restrictions.

Please know that we are praying for you and your family at this time. We are confident that we will once again be able to support your children in their learning. We will be in touch with you again towards the end of this week with more specific information that will outline the online learning arrangements for Term Three.

Thank you as always for your patience and support.

God Bless,

Michelle Cairelli
Principal
